

1 in 3 women

& 1 in 4 men

in the U.S., is, has been, or will be, a victim of domestic violence

Children

who are in households where domestic violence happens have the same symptoms as children who are abused themselves. Domestic violence can cause long-term developmental, emotional and other problems in children. **5 million** children witness domestic violence each year in the U.S.

85%

DOMESTIC VIOLENCE VICTIMS ARE **WOMEN**.

Domestic violence is a pattern of abusive behaviors used by someone to establish

POWER and **CONTROL** over another person in a relationship.

We are here to help.

Abuse Support & Prevention
Education Network

You are not alone.

You don't need a bruise to be a victim. There is a way out of abusive relationships, we can help you find it.

Take the step. Make the call.

1-406-222-8154
